Welcome to

Thurrock *Choice Homes*

We are extremely pleased to welcome you to our website. From the 23 February 2006 Thurrock Council and some housing associations will advertise most of their properties from the site. Every week you will be able to see the properties available for rent by those of you who are registered on Thurrock Council's housing register.

In future, we will also be able to show you who the successful bidders were in the previous bidding round – in which band they were registered, as well as their registration date in that band. This information will help to give you an idea of your chances of making a successful bid.

We will also let you have information on other possibilities of finding a new home for you and your family. There are more people looking for a new council or housing association home in Thurrock than properties available, and you may find that there will be a wait before you make a successful bid.

If you are interested in other housing options or want some advice on how Thurrock Choice Homes works, you can telephone us on 01375 652880 or any local area office. Their address and number can be found by clicking [contact us](#).
